MUNICIPAL INTEGRATION MANAGEMENT

— KIM NRW —

North Rhine–Westphalia Municipal Integration Management in the Gütersloh District.

North Rhine–Westphalia Municipal Integration Management (KIM) aims to give people with a background of immigration better opportunities for participation and integration.

To achieve that, the Gütersloh District cooperates with municipalities in the district and with other professionals and volunteers working in the field of integration.

KIM promotes cross-border legal cooperation and is designed to lastingly change administrative structures to your benefit.

What challenges and problems can the KIM case managers help you with?
